

GREAT LAKES ASSOCIATION OF SHRINE MOTOR CORPS

Wisconsin/Illinois/Indiana/Ohio/Michigan/Ontario

February, 2007

Dear Members of GLASMC,

It's that time of year again...time for DUES and our DUES are very important to our organization! Our DUES are what keeps this organization functioning, whether you compete or not. I am asking that you and your group support Great Lakes Association of Shrine Motor Corps because we have a common bond and common interests that we don't want to lose. This is a great organization and one that we enjoy coming to in September. We have made lasting friendships and enjoy the camaraderie. So, please, send in your dues as a Unit. It's a small amount of money (\$10 per member) for the benefits we all enjoy.

Please fill out the Dues Form and return to: Don Marquardt, Exec. Secretary/Treasurer - 811 S. I-Oka Avenue - Mt. Prospect, IL 60056. If you have any questions, please contact me at home: 847-590-5895 or on my cell: 312-520-6355. I ask that you PRINT so we have no problem reading all the names and contact information for those in your Unit.

**Be sure to keep your eyes and ears open to new Units in your Shrine Center that may be willing to join our organization and ask them to come on along to Mid-Winter or to the Convention in September. They don't have to compete, just come along to see what it is all about and have some fun.

DEADLINE for the Dues and Information Form is Mid-Winter Meeting. You can bring the forms along and hand them to me in person or just mail them to me. But don't forget them. We would like to update our Member Address book for each Unit head.

Be sure to check out the GLASMC website for updates and information: www.glasmc.org. Thanks for your attention to this request and see you at Mid-Winter Meeting. **Enclosed with this letter is your Dues Form. We're counting on your support!!

Yours in the Faith,

Don Marquardt
Exec. Secretary/Treasurer
