### VIP DINNER & An Evening with Howie Damron The Masonic Pride Tour

He's worked with over 100 major Nashville Artists and has performed on just about every stage there is across the country and ended up with his own show in Las Vegas.

After a few years of taking a little time off, Howie had no intention on returning to the main stream entertainment business. While in a Masonic Lodge in Ohio, during a very personal experience, he wrote down his feelings in a song. Soon after that the song, "The Masonic Ring", became world known, touching the lives of his Brother Freemasons all over the globe.

Do not miss this opportunity to see and hear this great motivational singer – song writer perform all of his latest Fraternal hits including "**I'm a Noble of the Mystic Shrine**"

*This VIP dinner ticket also includes a ticket for the Saturday Parade Afterglow at the Lake County Fairgrounds from 1:00pm to 3:00pm*
